Memorandum of an agreement made & concluded this twenty fifth day of February eighteen hundred and nineteen by and between Fredrick Bodine and J Vos & Wm Henry of Bakkile township

J Vos: & Wm Henry agree to let a house, garden and a potatoe patch (about ½ of an acre of ground) lately occupied by matthew Rose upon the annexed conditions, viz:

Firstly, Said Fredrick Bodine agrees to work for said J Vos: & Wm Henry and receive the customary prices for such work as he may do — prices for welding rifle barrells at forty cents a piece when not exceeding four feet in length. Day work in the shop at One dollar and thirty seven ½ cents.

Secondly Said Fredrick Bodine agree to pay half yearly rent to said J Vos & Wm Henry, that is to say at the expiration of every six months to pay Twelve dollars for such time as he said Fredrick may occupy said house and lot. —

Thirdly Said Fredrick Bodine agrees to do his work in a workmanlike manner, and agrees in case any of his welded barrels should burst, by proving or on grinding not being above one half welded that is to say the half thickness of Iron either to appear the said blasted barrells and pay One Dollar to the said J Vos & Wm Henry, or in case he does not choose to repair the same to pay the sum of Three dollars for each & every one barrell so returned. Any Barrells being above one half welded in thickness of the Iron to be at no loss or expence

Fourthly any extraordinary deduction on prices of Barrells being made, it is understood and agreed to by said parties, that they may at any time agree as to prices different from what they are above stated. —

Fifthly Said parties hereby agree to give each other three months notice before either wishes to do away or render null & void the above articles of agreement.

Sixthly. Said parties have agreed to settle and pay up at the expiration of every six months, comencing on the date said Fredrick moves on the premises of said J Vos & Wm Henry

13th $5000

14th The establishment during the years 1817 & 15 was employed not only at Musket, rifle & Pistol Barrell making but on File making, Lock making & Musket mounting making; at that time the ~~subscribers~~ manufacture consumed more than double the quantity materials, employed 12 Men at Barrell making ~~employed~~ & all the machinery, from 10 to 14 men at fileing & forging locks 4 men at the filemaking and three at the Mounting forging & fileing, at that time the market value of the articles was from thirty to fifty per cent higher than at present & very brisk sales of all the different qualities of work, since 1816 the value as well as the sale of all the articles manufactured fell off to this time, the sales have become very limited & the decrease of workmen employed followed of course, the Filemaking was first entirely relinquished, then the Lock & mounting making, the inferiour qualities of work at present unsaleable

Memorandum of an agreement made and concluded this twenty second day of March A.D. one thousand eight hundred & twenty by and between Fredrick Bodine barrell maker of Bushkill township in the County of Northampton of the One part & I Jos: & Wm J. Henry Gunsmakers of the other part to wit:

1st I Jos: & Wm J. Henry agree to let to said Fredrick Bodine a certain house & lot occupied by said Fredrick at present upon the following condition that is to say said Fredrick is to pay Ten $ rent at the end of six months successively from and after the first day of April next ensueing the date hereof and keep in proper order, such as it was when said Fredrick entered, the house and garden

2d Said Fredrick Bodine agrees to work for said I Jos & Wm J. Henry and receive the customary prices for such work as he may do & for work by special agreements, may by the parties be made memorandums of which shall be kept in book for that purpose signed by the parties or their representatives:

3d Said Fredrick Bodine agrees to give the said I Jos & Wm J. Henry three months notice either in person or writing before leaving the work or employ of said I Jos & Wm J. Henry and in such case agrees to leave the house and lot on or before the expiration of the term of three months previously adjusting all accounts between the said parties.

4th Said I Jos & Wm J. Henry agree to give said Fred: three months notice in manner above mentioned by said Fredrick, before leaving their premises or before they with said Fredrick to leave the same They said I Jos & Wm J. Henry promise during the next summer to erect a Bake oven convenient to the house said Fredrick resides in at their expense as also to lath & plaster the lower rooms in the house said Fredrick occupies — in witness whereof the parties have hereunto interchangeably set their hands & seals the day & year first above written

Witness present at signing — I Jos & Wm J. Henry L.S.
George H Kinsella — Frederick Bodine L.S.

1820. Aug 19th wittness Dan Ward declared agreement null & void by giving notice of leaving work 3 months after date ——

April 4th 1820.

agreed with Fredrick Bodine to pay him thirty nine cents, a piece for each and every musket Barrell said Fredrick may weld under the tilt hamer for I Jos: & Wm Jr Henry finding striker — Inspecting proof it is understood by & between the said parties, that if (95) ninety five Barrells out of each & every hundred said Fredrick may weld stands proof on inspection neither charge or credit is to be given on the ace. as five per cent is allowed on each & every hundred ready for proof, whatsoever number above 95 out of the hundred may stand proof even up to the 100 & said I Jos & Wm Jr Henry agreed to pay One dollar for welding the same and said Fredrick Bodine agreed to pay in case more than five per cent should burst to pay at the rate of One dollar per piece — said I Jos & Wm Jr Henry agreed to find striker to finishing of and at the rate of Ten Barrells out of each hundred said Fredrick Bodine may weld
